

TELEPHONIC INTERPRETER REQUEST (TIR)

Overview

How often have you needed an interpreter for an emergency or didn't even know you needed one until the last minute, when it was already too late to locate an interpreter and have him or her arrive within a few minutes? TranslationLinks knows that sometimes it's just not possible to pre-schedule an interpreter. We have the solution! Introducing TranslationLinks' latest service offering, the Telephonic Interpreter Request (TIR).

Features

- Many languages available, including rare languages
- Friendly, helpful staff to meet your interpreter needs in moments
- Nearly instant connection time
- Trained and certified interpreters

Benefits

- Over 150 language combinations available
- Connect to a qualified interpreter within seconds
- Cost-effective; only pay for the time you use
- Another great TranslationLinks innovation
